Happy New Year!

WHAT'S HAPPENING NOW!!

To improve our NBK cooking capabilities throughout our Bangor Unaccompanied Housing location, we are upgrading our kitchen appliances. With our implemented expanding cooking capabilities effort, this upgrade will improve your barracks living quality of life.

Our UH staff partnered with MWR during the Holiday Season and held a Holiday Door decoration contest. The contest was held from Dec 1st to Dec 23rd for best decorated barracks door. There was a winner from each Complex who completed for the overall winner of Best NBK Door Decoration. Prizes were awarded to both Complex and the overall NBK winner.

We are conducting renovations to various UH facility repair sewer lines. The repairs are greatly needed and will help prevent future plumbing issues in the barracks and improve your quality of life.

We are happy to announce that newly renovated barracks at Bremerton came back online with new furnishings. This added space will greatly assist with meeting our housing requirements and improving your barracks living conditions.

Winter Driving Tips

- * Make certain your tires are properly inflated
- * Use your seat belt every time you get into your vehicle
- * Drive for conditions: Slower speeds, slower acceleration, leave extra space between vehicles
- * Slow down when approaching intersections, off-ramps, bridges, or shady spots
- * Do not use cruise control
- * 4-wheel and all-wheel vehicles don't stop or steer better on ice
- * If possible, avoid using your parking brake in cold, rainy and snowy weather
- * Do not drive when you are fatigued
- * Always look and steer where you want to go

The charging of Electric Vehicles (EVs) is not permitted in the UH facilities. Use of extension cord to charge EVs in the barracks is a Safety hazard and extension cords will be confiscated when found. Residents should use charging stations off base and should consider this when making the decision to purchase an EV.

ANNUAL TENANT SATISFACTION SURVEY

The Navy will conduct a Spring 2025 Tenant Satisfaction Survey (TSS) for all permanent party Tenants of our barracks facilities. We had hoped to conduct a Fall 2024 TSS to account for a delay in survey contract awarding but that would have been time prohibitive. Conducting the Spring survey will align our assessment with the rest of DoD. We thank you for your understanding. More information regarding survey schedule and survey process is forthcoming.

Do You Know Who Your RA Is?

The RA Watch Bill is posted on your building's bulletin board.

Each building has assigned RAs to mentor, counsel and assist in maintaining good order and discipline; as well as accelerate adaptation of junior service members to their military life.

RAs are typically in pay grades E6-E9, have gone through the Unaccompanied Housing Assignment Review Board (UHARB) process and approved by the Installation CO, before given the position. You might notice them walking around the building after working hours to ensure nothing is out of the ordinary.

WINTER STORMS here in the Pacific Northwest can carry high winds, drenching rain and heavy snows that are powerful enough to down power lines and trees. Be prepared for power outages that may last up to 24 hours. Ensure you have emergency supplies such as flashlights with extra batteries, non-perishable foods and bottled water. When a power outage has occurred, refrain from opening your freezer and refrigerator doors as much as possible to maintain the cold temperature.

As reminder, candles are not authorized in the UH.

UH POLICY VIOLATIONS

Bldg.	Violation	Consequence
1131	Room Damage	Tenant charged for damages.
1131	Room Flooding	Captain's Mast; Removal from barracks.
2209	Fireworks	Counseling.

IN ORDER FOR OUR HEATING SYSTEMS TO WORK EFFECTIVELY DURING WINTER SEASON, WINDOWS MUST BE KEPT CLOSED AT ALL TIMES. If you notice draft or cold air coming in around the window, please submit a maintenance request immediately.

SMOKE DETECTORS: Do not remove or tamper with smoke detectors, they are there to protect you and all residents in the building. Tampering with them is a Federal offense and you are liable to pay for replacement or repair.

ALCOHOL POLICY: Residents are reminded that if you are under the age of 21, you are not allowed to consume any alcoholic beverage at any time. If you are over the age of 21, please lock up your alcoholic beverages when not consuming and do not share with an underage person.
