

LODGING OPTIONS:

52 RV SITES:

Cliffside is a tiered park; most sites have excellent water/beach views. Each RV site consists of a 20' x 40' concrete pad with full hookups: water, electrical (30 and 50 amp) and sewer, plus a picnic table and a barbecue grill. The RV sites are on two loops. The North Loop has 21 sites and the South Loop has 31 sites.

4 DELUXE CAMPING TRAILERS:

Enjoy the sweeping cliffside views as you stay in our Deluxe Camping Trailers (Mallard RV) at Cliffside, for \$100 per night (two-night minimum stay). These units are equipped with cookware and place settings for six guests, as well as a coffee maker and toaster. Linens are included. Feel free to bring your DVDs as there is a DVD player and a TV for your enjoyment! Pets are not allowed in the trailers, so please plan accordingly. Pets may not be kept in your vehicle.

10 TENT CAMPSITES:

Each tent site consists of an open space with a picnic table and fire pit with a grated cooking surface. Several barbecue grills are available around the tent campsites. All of Cliffside's tent sites are nestled along the tree line, located in the South Loop and feature partial views.

GROUP CAMPSITE:

This site will accommodate up to ten tents for up to 30 people. Accommodations include a covered picnic pavilion, large fire pit and two charcoal grills. These sites are located in the South Loop near the bathrooms and the beach-access trail.

6 FURNISHED YURTS:

A yurt is a permanent, tent-like structure with a cylindrical base and dome-shaped roof, covered on all sides in heavy canvas. Cliffside's yurts are nestled in the tree line of the North Loop. They are approximately 16' in diameter, with a wooden deck floor. They are built to withstand sustained winds up to 100 mph.

Each yurt sleeps five to six people. Amenities include a twin-over-queen bunk bed and a full-size futon, a dining room table, two chairs, two benches and a small table lamp. Cooking is not allowed.

Linens are not included. Please bring sheets, blankets and/or sleeping bags for your stay. Each yurt has a small electric heater, but it may not be sufficient during winter. Please feel free to bring extra blankets.

Pets are authorized in yurts with applicable pet fee. Pets may not be kept in your vehicle. Please keep this in mind when reserving.

A two-night minimum stay on peak season weekends.
