## Be Informed (page 2)

### Reminders

**SMOKE DETECTORS:** Do not remove or tamper with Smoke Detectors, they are there to protect you and all residents in the building. Tampering with them is a Federal offense and you are liable to pay for replacement or repair.

**ALCOHOL POLICY:** Residents are reminded that if you are under the age of 21, you are not allowed to consume any alcoholic beverage at any time. If you are over the age of 21, please lock up your alcoholic beverages when not consuming and do not share with an underage person.

### PORTABLE AIR CONDITIONING UNITS:

Portable A/C units are not authorized for use in UH. The power grid for each building is not set up to support the electrical load that is required to run an A/C unit. A/C units found in rooms will be confiscated.

### FLEET DEPLOYED PARKING LOT (FDPL):

You must make arrangements to park your vehicle in the FDPL if you are going to be deployed, underway, or TAD/TDY for greater than 30 days.

## Did You Know You Can Submit a Maintenance Trouble Call 24 Hours a Day?

Resident requests (non-emergency) can be submitted through the online maintenance request program at <http://www.kitsap.navylifepnw.com>. Select "Unaccompanied Housing" under the Housing tab. Your request is then sent to our Maintenance Tracking Program and reviewed daily by the UH Building Managers. Residents will receive an email confirmation (*if an email is provided with submission*) when their maintenance requests have been received, assessed, and completed.

## See Something? Say Something!

All residents MUST immediately report to UH staff any suspicious activity, unauthorized items, and/or personnel in UH property. Resident Advisors are also available if needed. Know your Resident Advisor!

Per DoD7000.14-R Financial Management Regulation, Chapter 7 section 0707 of volume 12, residents will be held liable for any loss or damage to equipment, furnishings or facilities caused by their negligence or willful misconduct, not normal wear and tear. If it is determined that there are damages or losses due to a resident's willful neglect or abuse, or both, financial charges will be assessed.

## PREPARING YOUR ROOM FOR DEPLOYMENT OR LEAVE

It is very important when departing for deployment or extended periods of leave or absence that you prepare your room with the best housekeeping practices. Secure all of your personal belongings. Make sure windows are closed and locked. Lock all wardrobes and/or closets and all valuables including laptops and game consoles. Throw away food that will expire during the time you are away. Empty all trashcans, turn off and unplug all electronics. Turn off all lights. For rooms with kitchens, kitchen should be free of grease and grime and all dishes left clean and organized. Set the thermostat between 68 and 72 degrees. Leave a clean room with beds made and all necessary cleaning chores completed.

All UH Residents are advised you are only assigned to one side of your room. Please do not use the other side/bed for anything. The unassigned side is to remain ready for assignment at all times.
