

It's tough to be the **new kid** in town...

We know that it's difficult
to leave your school and friends
to move to a new place.

That is why we
want to help make your
transition a little bit easier.

The Youth Sponsorship Program can help you:

- Connect with positive peers and adults in your new community
 - Let you know about activities and resources
 - Provide information on school culture
-
- Request a Youth Sponsor - we will match you with another youth based on your age/grade/location and interests. Your sponsor will contact you throughout the move and after you arrive.
