

EMERGENCY PARTIAL PAYMENT PACKET

1. GENERAL

An emergency partial payment is appropriate when a claimant residing in Government assigned quarters, Public Private Venture (PPV) housing located within the perimeter of the installation (CONUS) or for OCONUS, all quarters, wherever situated, (except when the claimant is considered a local inhabitant), has suffered a significant, compensable loss of items that are needed for daily living, and can demonstrate a need for immediate funds to replace some of those items (e.g., food, clothes, baby items, etc.). These instructions are designed to answer your questions regarding who can file, where to file and how to file a request for an emergency partial payment of a claim with the government for damage or loss sustained to your personal property incident to service and caused by a disaster. **Reading these instructions carefully and answering all questions will ensure the most expeditious processing of your request. Remember, it's your claim. You, the claimant, are in the best position to provide the specific information necessary for a successful request for payment.**

2. WHO MAY FILE A REQUEST FOR AN EMERGENCY PARTIAL PAYMENT?

a. Proper Claimant. The Military Personnel and Civilian Employees' Act (PCA) covers all active duty members and reservists on active duty. The PCA also applies to Department of the Navy (DON) Federal civilian employees. Reservists or retired members may only claim for damages under the PCA if loss or damage to their personal property occurred while they were on active duty.

b. Power of Attorney (POA). A legal representative who has been designated as such by a POA may file a request for emergency partial payment on behalf of the claimant. If your POA is lost due to the disaster, inform the claims personnel so that they can work with you to get verification of the POA.

3. WHAT FORMS WILL I NEED TO FILE?

The form for use in filing your request for an emergency partial payment of a claim for damages caused by a disaster is the specialized **DD Form 1842, *Claim for Loss of or Damage to Personal Property Incident to Service***. A copy is attached to this instruction.

When completing this form, ensure blocks 1 – 18 are completed. Describe the extent of the damages in the space available in block 10 or on an additional piece of paper. Please ensure your SSN number is entered correctly and legibly. The SSN is used to deposit funds into your military pay account.

4. WHAT IF I HAVE PRIVATE INSURANCE?

You must file with your insurance company if you have a private insurance policy that may cover all or part of your loss. If you are filing for an emergency partial payment while you wait for your insurance company to respond, you will be required to provide a final accounting of what your insurance company paid for your loss. You will be required to reimburse the Government for any payments made that are later covered by your insurance company. Include a copy of any correspondence you have had with your insurance company when you file your claim after you have received an emergency partial payment.

5. WHERE DO I FILE MY REQUEST FOR EMERGENCY PARTIAL PAYMENT OF MY CLAIM?

You can turn your request for emergency partial payment in to your local Legal Service Provider, usually located within the local Naval Legal Service Office or Staff Judge Advocate's office. Upon receipt of this package, the Legal Service Provider will provide you with a standard claims package which must be submitted within 3 months from the date of the disaster.

6. WHAT IF I DON'T FILE THE FOLLOW UP CLAIM?

If you file a claim for an emergency advance payment for your loss, you must file the standard claims package within 3 months from the date of the emergency payment. If you feel you need more than 3 months to file your claim, you must consult with the Personnel Claims Unit Norfolk (PCUN) or its Pearl Harbor (PH) detachment for the Pacific region. If you do not file your supplemental claim within 3 months, and you do not receive an extension of time from the PCUN, the emergency partial payment will be recouped from your pay. Routine disaster-related claims where emergency partial payment is not made must be filed within 2 years of the date of the disaster giving rise to your claim. When you submit your request for an emergency partial payment, you acknowledge that any amount advanced will be deducted from the total adjudicated value of your loss. Your failure to file the supplemental claim will require you to pay back the entire amount advanced to you.

The only exception to this rule is when the emergency partial payment request is for food loss only. If you agree to accept the amount established by the Personnel Claims Unit Norfolk (PCUN) for your family size, you need not submit a supplemental claim.

7. HOW DO I GET PAID?

Once your advance has been approved, a payment voucher is forwarded to the Defense Finance and Accounting Service (DFAS). DFAS will electronically deposit the money directly into the account where you receive your military pay.

8. ADDITIONAL INFORMATION.

It is important that you take every opportunity possible following a disaster to document your loss in cases where the disaster destroyed property in your assigned quarters. In circumstances where damage is severe, such as flooding, you may be granted limited access to your quarters. It is recommended that you photograph the damage to the property in your quarters. When photographing valuable items, photographing the brand name will assist in substantiating your claim. For example, it is not unusual to find a stereo system in the average home, however if you owned an expensive Bose stereo system you should photograph the item and ensure the Bose label is present in the photograph. The same concept is true for furniture. For example, a photograph of a sofa doesn't necessarily show the brand if you owned a Lazy-boy so photograph the tag as well, when possible.
