## Winter Driving Tips

- \* Never warm up a vehicle in an enclosed area, such as a garage
- \* Make certain your tires are properly inflated
- \* Use your seat belt every time you get into your vehicle
- \* Drive for conditions: Slower speeds, slower acceleration, leave extra space between vehicles
- \* Slow down when approaching intersections, off-ramps, bridges, or shady spots
- \* Do not use cruise control
- \* 4-wheel and all-wheel vehicles don't stop or steer better on ice
- \* If possible, avoid using your parking brake in cold, rainy and snowy weather
- \* Do not drive when you are fatigued

The charging of Electric Vehicles (EVs) is not permitted in the UH facilities. Use of extension cord to charge EVs in the barracks is a Safety hazard and extension cords will be confiscated when found. Residents should use charging stations off base and should consider this when making the decision to purchase an EV.

### Do You Know Who Your RA Is?

**The RA Watch-bill is posted on your Building's bulletin board.**

Each building has assigned RAs to mentor, counsel and assist in maintaining good order and discipline; as well as accelerate adaptation of junior service members to their military life.

RAs are typically in pay grades E6-E9, have gone through the Unaccompanied Housing Assignment Review Board (UHARB) process and approved by the Installation CO, before given the position. You might notice them walking around the building after working hours to ensure nothing is out of the ordinary.

**WINTER STORMS** here in the Pacific Northwest can carry high winds, drenching rain and heavy snows that are powerful enough to down power lines and trees. Be prepared for power outages that may last up to 24 hours. Ensure you have emergency supplies such as flashlights with extra batteries, non-perishable foods and bottled water. When a power outage has occurred, refrain from opening your freezer and refrigerator doors as much as possible to maintain the cold temperature. As a reminder, candles are not authorized in the UH.

**I**N ORDER FOR OUR HEATING SYSTEMS TO WORK EFFECTIVELY DURING WINTER SEASON, WINDOWS MUST BE KEPT CLOSED AT ALL TIMES. If you notice draft or cold air coming in around the window, please submit a maintenance request immediately.

**SEE SOMETHING? SAY SOMETHING!** As agreed and signed upon check-in, all residents "MUST" immediately report to UH staff of any suspicious activity or unauthorized items and or personnel in the UH property. Resident Advisors are also available if needed.

Remember, service members represent their services both on and off duty. We must always maintain good order and discipline.
