Naval Base Kitsap

What do I think of when I hear ‘fun and adventure’? Naval Base Kitsap (NBK) is located in one of the best places for fun and adventure, where the Olympic Mountains meet the Puget Sound. My family and I have many activities that we enjoy in the summer and year round including Navy Getaways and camping in our wonderful local state parks. It’s a tradition for us to go to Pacific Beach every New Year’s Eve and it is a great place to visit in the summer too. We love to walk on the beach and I encourage you to check out one of the Glass Float Frenzies. The Jim Creek Navy Getaway is great to check out for the day or spend a relaxing week with the family. There is hiking, fishing, camping, a jumping pillow and special events like Jurassic Adventures weekend. NBK itself

has some great spots for fun too like Camp McKean and Trident Lakes. One of our other annual camping spots is Dosewallips State Park where the Hood Canal meets the Olympic National Forest. Belfair State Park is another beautiful and nearby spot as well with campsites along the Puget Sound, plus wetlands, tidal flats and salmon runs beckoning to be explored. I encourage you to stop by the Bangor or Bremerton Recreation Center soon; our staff love to talk about great places for camping and outdoor adventures. They also have all the camping and hiking gear to rent for your outdoor adventure. Be sure to ask about The Great Navy Campout and the Fishing Derby at Trident Lakes, as well as deals on Discover Passes or passes for camping in state and national parks for active duty and veterans. Start planning your summer adventure today!

NAVY SCHOOL LIAISONS

Connecting Military Families, Commands and K-12 Schools

Did you know?

School transition and deployment support is a Navy readiness and retention issue. The Navy benefits from having Sailors who are able to focus on their duties, whether ashore or deployed.

- Navy families move their children an average of every 2.9 years.
- Children of military personnel attend up to nine different schools by graduation.
- Military families are reluctant to disrupt high school youth in their senior year.
- Deployments can impact educational outcomes of children.
- Many families decide to "separate geographically" to keep children in their current school.

Families, Contact Your School Liaison for Help with:

- Inbound/outbound school transfers
- Youth sponsorship
- Local schools and boundaries
- Finding the right school
- Understanding special education
- Meeting graduation requirements
- Finding military and local support services
- Homeschooling support
- Preparing for college and scholarship information

Navy School Liaisons Provide SEVEN CORE SERVICES to Assist Families:

- 1 School Transition Services (PCS Cycle):** School Liaisons assist families with school transfers and help "level the playing field" for military children and youth.
- 2 Deployment Support:** School Liaisons connect educators with the military deployment support system to inform them about the cycles of deployment and the tools available to assist educators in working with military children.
- 3 Command, School & Community Communications:** School Liaisons serve as subject-matter experts for installation commanders on K-12 issues, helping to connect command, school and community resources.
- 4 Homeschool Linkage and Support:** School Liaisons assist military families by gathering and sharing information on home-schooling issues, policies and legislation from local school districts, and help leverage military Child and Youth Program resources to support these families.
- 5 Partnerships in Education (PIE):** PIE creates a volunteer network of resources to support installation and community members who have a vested interest in the success of all youth.
- 6 Post-Secondary Preparations:** School Liaisons leverage installation and school resources to provide graduating military students with access to post-secondary information and opportunities.
- 7 Special-Needs System Navigation:** School Liaisons provide information about installation and community programs and services, make referrals to the Exceptional Family Member Program (EFMP), and offer assistance in navigating the administrative systems within local education agencies.

NAVY CHILD CARE PROGRAMS

Learn about military child care programs and quality care.
 Choosing child care may be one of the most important decisions you'll make as a parent, and it can be hard to know where to start. Learn more about military child care program options and helpful resources below.

Start Here: MilitaryChildCare.com

MilitaryChildCare.com is a DoD website that helps families find and request military-operated child care anywhere in the world. Search for full- and part-time care, including before- and after-school care, as well as summer and holiday camps. Get started by creating an account at [MilitaryChildCare.com](https://militarychildcare.com) and submit a request for care.

Child Development Centers, Family Child Care Providers (FCC) and School-Age Care. You have options.

Child development centers, or CDCs, are located on installations and generally offer care for infants through pre-school age children. Family Child Care Providers (FCC) are certified professionals who provide child care for infants through school-age children in their homes, located either on or off an installation. School-Age Care, or SAC, programs provide care to children in kindergarten through sixth grade.

Hourly child care? You've got it.

Through Military OneSource, parents now have free access to a national database to search for hourly, flexible and on-demand child care. You can even interview caregivers through the service. It's easy to access and is a virtual solution that allows you to choose, hire and pay providers on your terms.

Child Care In Your Home Fee Assistance Program

Fee assistance for families who have determined that full-time, in-home child care is the best solution to meet their needs.

The Child Care in Your Home pilot program has a limited number of child care spaces and is only available in select locations. For assistance, call Military OneSource consultants, available 24/7/365, at 800-342-9647 or schedule a live chat.

Military Child Care in Your Neighborhood

Fee Assistance for Community-Based Child Care

Serving U.S. Navy Families

As a military parent, you want access to affordable, quality child care. You may be eligible to receive fee assistance through Military Child Care in Your Neighborhood (MCCYN). The Department of Defense offers fee assistance to reduce the out-of-pocket expense of child care in the community.

Paying full price for community-based child care? Your caregiver may be eligible to join the DoD program.

You can attend a workshop and meet other new Navy spouses, gather informational materials, get help with finding a job or a volunteer opportunity or learn about educational opportunities.

FFSC is able to help connect you to your duty station Ombudsman. The Ombudsman communicates on behalf of the command to give timely information, through social media posts, care-line/info-lines, telephone trees and e-mails.

You are setting forth on an exciting journey as a member of the Navy Family. We hope to connect you to fellow service-member families, and help you learn together, grow together, and succeed together. Visit your FFSC or scan the QR code to learn more.

EMOTIONAL SUPPORT SERVICES

We all experience ups and downs in life. At some point, just about everyone needs help coping with stress caused by life's many challenges. Stress can be caused by work, family hardships, marital conflicts, parent/child issues, money concerns, frequent moves, health and environmental factors, and other difficulties. Talking about our problems with family or friends can be helpful, but often this just isn't enough. Sometimes it helps to talk to an experienced counselor.

Fleet & Family Support Centers (FFSC) offer confidential (the command is not notified) counseling by professional, licensed clinicians. FFSC clinical counselors hold a master's or doctorate-level degree in counseling, social work or psychology. Their professional services are free of charge to active-duty personnel and family members.

If you are troubled and need someone to talk to, just ask FFSC for an appointment. You do not need a referral from your command or health-care provider. Visit your FFSC or scan the QR code to learn more.

PARENTHOOD

Becoming a new parent is a time for excitement and joy as well as confusion and anxiety. So many questions come up and even worse, there are usually a million different answers! If you are feeling anxious, this is common and you are NOT alone.

New Parent Support Staff, part of the Fleet & Family Support Center, can assist you with in-home visits after the baby is born to help smooth the transition to new parenthood. New Parent Staff can also help with parenting toddlers and preschool children up to age four.

To better prepare for the changes in the family dynamic, FFSC offers comprehensive parenting programs and early child development education classes to help foster healthy parenting practices so you can thrive as a healthy family.

Visit your FFSC or scan the QR code to learn more about classes such as Positive Parenting, Daddy Boot Camp, Baby Talk and pregnancy support groups.

SERVICE MEMBER DEPLOYMENT

Deployments are a way of life for military service members and their families. Whether single or married, there are effective ways of meeting the unique challenges of a Navy lifestyle. Fleet & Family Support Centers (FFSC) work closely with commands, Ombudsmen, Family Readiness Groups, individuals, and families to provide resources and assistance during all phases of the deployment cycle.

Pre-deployment information is presented around five core elements that Sailors and their families should review and update as they prepare for deployment: documents, finances, communication, relationships and resources. Mid-deployment help for families include stress-reduction classes, mind and body mental fitness classes and countless other resources. Homecoming can also shed light on problems in a relationship, and FFSC understand those hurdles too and can provide support and resources to assist.

Any point of a deployment can be uniquely difficult and FFSC is here to help you get through it. Visit your FFSC or scan the QR code to learn more.

EMPLOYMENT

Fleet & Family Support Centers (FFSC) can help you pursue the career of your dreams! We understand the frustrations that are common to military families such as frequent moves. We can help you focus on a career that can follow you from base to base.

We offer FREE support with resume writing, interview techniques, job search strategies, workshops for teen employment, Myers Briggs Type Indicator to assist your future career search, WA state employment, Military Spouse Employment Program (MSEP), and Spouse Education and Career Opportunities (SECO), including scholarship resources. Visit your FFSC or scan the QR code to learn more.

If you already have a career, FFSC has a wide variety of resources including information related to how professional licenses can transfer from one state to another.

LIFE SKILLS EDUCATION

Life Skills education can help you recognize your unique abilities and take control of your life. We are now living in the "Choose Who You Are" era and nothing is more important than personal empowerment. Our core classes, Stress Management, Anger Management, Communication Skills and Conflict Resolution provide tools helpful in living a positive, empowered and fulfilled life. Mind-Body Mental Fitness (or MBMF) is a stress-resiliency program designed to help Sailors, their families, and their commands better understand how to cope with the stressors that are presented through the Navy lifestyle by learning to manage the four Domains of Resilience.

For those leaving the area, we offer Smooth Move classes and relocation workshops that can help plan for success. We have counselors for individuals or families who have trouble transitioning. Our career center can help you transfer your license to a new state or the tools to look for a new job when you get there.

EXCEPTIONAL FAMILY MEMBER SUPPORT

The Exceptional Family Member Program (EFMP) ensures service members will be assigned to a location where the special needs of the family will be met. EFMP is a mandatory program for spouses, children, and dependent family members, who require special medical, psychological, or educational services.

The Exceptional Family Member will then be assigned a category according to diagnosis, availability of care and intensity of care. Category 1 is the least complex, while 5 is the most complex, Category 6 is for temporary placement in the EFM program, for example, high-risk pregnancy or a premature infant.

The category assigned to a family member will impact what duty stations a family can accompany their service member, however, enrollment in EFMP does not affect one's career, as promotion boards are unaware of EFM status.

The Fleet & Family Support Center can help with the needs of the whole family and the challenges families might face. Visit your FFSC or scan the QR code to learn more.
